

FIRST RESPONDER PROVIDER NETWORK

WHO WE ARE

The First Responder Provider Network (FRPN) is a nonprofit network of private, licensed clinicians dedicated to serving Missouri's first responders.

- Established in 2018, available statewide, and self-referral driven
- Most clinicians have personal ties to first responder life
- All FRPN clinicians are vetted by the FRPN Board of Directors

OUR MISSION

To increase access to and improve the quality of culturally competent behavioral healthcare for first responders
